Re: Cajun PAC II – 40th day after general (40-G) campaign finance disclosure report

To Whom It May Concern:

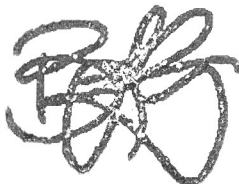

On January 3, 2020, we received a Notice of Delinquency from your office regarding the above referenced report. Immediately upon receiving this notice, we contacted your office and in which we were informed that if you supported a candidate in the primary election, and that candidate went into runoff, we were to report on the 40th day after the general election. However, prior to receiving communication with your office regarding this letter we were following our candidate reporting guidelines, in which case our candidate won in the primary and did not have to report until year end as we were unaware that this report needed to be filed. It is a little confusing with all the special elections to keep track of reports needing to be filed. Our goal is to be transparent to our Louisiana Citizens.

Please be advised that the 40th day after general (40-g) report was filed on January 3, 2020, immediately following our communication with your office.

Please accept this letter as our request for waiver of the late filing fees assessed in the amount of \$200.00 per day. Thank you for your time and we hope that you will consider our request give the information provided above.

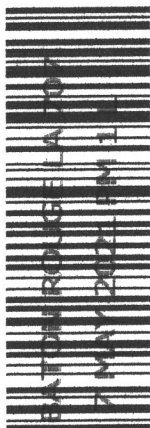

Thank you,

Benjamin L. Landry
